

ST. DOMINIC HIGH SCHOOL 2019-20 GIVING REPORT

Educating with a higher purpose

OUR MISSION

St. Dominic is a Catholic, college preparatory high school offering young men and women an education rooted in the Gospel of Jesus Christ. Living the Dominican tradition of prayer, study, community and service, we encourage lifelong growth in faith, knowledge and leadership and involvement in the global community.

EXPRESSING OUR GRATITUDE

Thank you. Thank you for your incredible generosity and support of St. Dominic High School this past school year. The 2019-20 school year was certainly one with moments and milestones that will not be soon forgotten.

We began our school year with an enrollment of 744, the highest in our history. We concluded the year via distance learning, with students and teachers adapting to unprecedented times in our community and world.

Last August, we welcomed 203 freshman families with Mass in the Amy Dickherber Performing Arts Center. Their journey will come full circle when they celebrate Mass at graduation. Throughout the year, our students experienced Christ through daily prayer, sacramental opportunities and regular service to the broader community.

During the 2019-20 school year, our campus expansion initiative added nearly six acres of property, connecting our campus to the Interstate 70 corridor. New monument signs mark the new entrance to our campus, and more than 170 additional parking spaces will serve our growing population. This year marked all-time highs in attendance at the Evening of the Crusader, with 600 guests raising more than \$300,000 to support our students and staff. Amid the pandemic, Celebrate St. Dominic Day moved to the final day of classes, generating \$66,000 in gratitude to our St. Dominic community.

As the COVID-19 pandemic impacted our world, the St. Dominic community rose to the challenge, transitioning overnight to to meet students’ spiritual, intellectual, social and emotional needs in an ever-changing world. Our community came together to complete a challenging, but incredibly fulfilling school year.

Through your kindness and generosity to our St. Dominic community, we are able to bring Christ to our students and provide them an exceptional educational experience. May God continue to bless you as you have blessed us.

Educating with a higher purpose,

Jim Welby, President

“When I think about St. Dominic, I think of a big family. Not only is it one of the cornerstones for our football team, it is a cornerstone for the school as a whole. We have an environment built upon prayer, study, community, and service. I’m glad I can wake up in the morning and look forward to seeing the people I love and care about every day at school.”

IT'S A GREAT DAY TO BE A
CRUSADER!

“ Providing a Catholic education for all four of our children has been our priority. To share our time, talent and treasure with St. Dominic is like sharing it with family. St. Dominic has provided the perfect balance of faith, academics, community and fun for our family. We are so blessed to be Crusaders for life!”

THE ST. DOMINIC BLESSING

*May God the Father bless us,
May God the Son heal us,
May God the Holy Spirit enlighten us.
Give us eyes to see with,
Ears to hear with,
And hands to do the work of God.*

*May He give us feet to walk with,
And a mouth to preach His words
Of love and salvation.*

*May the angel of peace watch over us,
And lead us at last by our Lord's gifts,
To His eternal kingdom.
Amen.*

St. Dominic, Pray for us

Students, faculty and staff begin each day
by saying the St. Dominic blessing.

THE ST. DOMINIC FUND

Educating with a higher purpose

The St. Dominic Fund is an annual fund that exists through the generosity of St. Dominic families. It is designed to enrich our students' experiences in all areas: academically, spiritually, socially, athletically and artistically. These funds are critical to advancing our mission as a school community. A gift to the St. Dominic Fund validates your support of our mission and directly impacts the lives of our students.

THE ST. DOMINIC FUND SUPPORTS

- **Affordability**
ensuring every child has the opportunity to receive a strong, Catholic education
- **Professional Development**
guaranteeing our teachers are prepared and dedicated to educate our students
- **Day-to-Day Operations**
anything from keeping the lights on, to maintaining our beautiful 50-acre campus
- **And so much more...**
the St. Dominic Fund also supports athletics, fine arts and spiritual opportunities for students

“I’ve always felt a special connection to the St. Dominic community. I give so that others have the chance to feel that special connection.”

“ St. Dominic High School, and all that it encompasses, is such a blessing to the students and families within the community. We love that our family is able to be a part of all that this school has to offer. It only seems natural to support the St. Dominic community, now, and for years to come.”
