

To: St. Dominic Parents  
From: Food Service Consultants  
6-18-19

Food Service Consultants is happy to be a part of the St. Dominic community by providing many healthy food options to students, faculty, and staff on all full school days. Our New Concept menu offers homemade food items prepared by our executive chef. We still offer the popular items the students wish to see, but they will be prepared with fresh, made-from-scratch ingredients.

In addition to purchasing items from the cafeteria with cash, Food Service Consultants offers the convenience of several different purchasing options. The preferred method is the MySchoolBucks online prepayment system. Go to [www.myschoolbucks.com](http://www.myschoolbucks.com) and set up your child's account. Select the state, and then click on Food Service Consultants under "District". Once enrolled, you will be able to make online payments, view a detailed history of your child's account, view account balances, set up low balance reminders, and even use the mobile app.

Of course, you may still simply send a check made out to Food Service Consultants to make meal card deposits. If you will be using this method of payment, please include your child's name on the memo line. We also offer the option of making deposits through PayPal. However, please be aware that PayPal and MySchoolBucks both charge a small convenience fee for their services. The PayPal address to send meal card payments is [fsc@stdominichs.org](mailto:fsc@stdominichs.org).

Payments made through MySchoolBucks show up on your child's account within minutes; PayPal payments may take up to 2 business days. If you are paying by check, the student may bring the check to the cafeteria kitchen in the morning, and it will be added to their account that day. Checks will not be added to their account during lunch. Questions regarding your child's account should be addressed to Shelley Howerton, account manager at [showerton@stdominichs.org](mailto:showerton@stdominichs.org) or Maureen O'Donnell, district supervisor, at [maureen@foodserv.org](mailto:maureen@foodserv.org).

We look forward to serving you this year!
