

ST. DOMINIC HIGH SCHOOL 2020-21 ANNUAL REPORT

Educating with a higher purpose

OUR MISSION

St. Dominic is a Catholic, college preparatory high school offering young men and women an education rooted in the Gospel of Jesus Christ. Living the Dominican tradition of prayer, study, community and service, we encourage lifelong growth in faith, knowledge and leadership and involvement in the global community.

EXPRESSING OUR GRATITUDE

*Cover photo: St. Dominic Graduation 2021 took place in Crusader Stadium.
198 students graduated through rain and sunshine!*

Thank you. Thank you for your incredible generosity and support of St. Dominic High School this past school year. The 2020-2021 school year was one of growth and prosperity. Following the close of the 2019-2020 school year remotely, St. Dominic High School successfully completed the 2020-2021 school year with in person learning every day of the school year. Teachers and students adapted to extensive restrictions and health guidelines with cutting edge technology and a commitment to one another.

The 2020-2021 school year not only marked new technologies to combat the Covid-19 virus, it also marked new educational opportunities for our students with the launch of Project Lead the Way Biomedical Sciences. It marked a record high enrollment with 850 students filling our campus, and record Advancement performances in the Gala Dinner Auction, SDAA Golf Tournament, Celebrate St. Dominic Day, and the St. Dominic Annual Fund to help provide the very best spiritual, educational and student life opportunities we could provide for our students.

In October of 2020, St. Dominic High School broke ground on a \$6.3 million Center for the Sciences. With construction in full swing much of the school year, this new space is scheduled to open with the beginning of the second semester in January of 2022. The Center for the Sciences will serve as the school’s new main entrance and includes a two story atrium commons area, 9 new laboratories, broadcast journalism studio, and a new Campus Ministry Office. Through this space St. Dominic alumni, families, teachers, neighbors, and friends are continuing to provide the very best educational experience for our students for generations to come.

The 2020-2021 school year also the most successful year in athletics in our school’s history. Winners of 13 conference championships, 9 district championships, and 6 final four appearances; the school year was capped off with Ladies’ Soccer capturing their 6th MSHSAA State Championship. Ladies’ Soccer completed the year 25-0 and was ranked #3 in the nation.

Our faith community continues to grow ever stronger, as two of our 198 graduates of the Class of 2021 were accepted into the seminary as well as another member of the Class of 2020. To date St. Dominic has nine alumni currently in the seminary. We are the largest feeder school to the Archdiocese of St. Louis Seminary.

Through your kindness and generosity to our St. Dominic community, we are able to bring Christ to our students, and provide them an exceptional educational and high school experience. May God continue to bless you as you have blessed us.

Educating with a higher purpose,

Jim Welby, President

“ St. Dominic means community and friendship. This isn't just where we go to high school, this is the place we call home. Everyone is so open to meeting new people and having new experiences. We are given time to be with teachers and classmates, or to choose to relax and be with Jesus by yourself if you need. We are fortunate to have daily opportunities to indulge in our faith at St. Dominic.”

“ St. Dominic High School offers students an opportunity to excel in many areas including academics, athletics and the arts. We support St. Dominic because it is also a place where students can grow deeper in their Catholic faith through study, service, prayer, and the Sacraments. We pray that the values we teach our children at home, reinforced by a quality Catholic education, result in men and women who are strong in their faith throughout their lives.”

“We’re very fortunate at St. Dominic because we have a community that is very giving. The generosity just speaks to the bigger picture of why we’re here. People see this as more than just a school, but a community that they will be a part of for many years.”

“ St. Dominic has definitely changed my life, and has allowed me to grow stronger in my faith. I found myself here, along with my friends. I'm thankful for how much all of the teachers at St. Dominic care about the students. It's not about if you just show up to class, they care about the things you do and who you are.”
