2020 ST. DOMINIC ALUMNI BASKETBALL SHOWDOWN

TOURNAMENT GUIDELINES

- Teams that have been combined may be listed under the oldest playing class.
- If your team needs players, let Ryan Kiel know ahead of time. If players are needed at game time, any player who just played the game before can play with your team with approval from your opponent.
- Players from another alumni team may sub on a team without enough players with permission from the other team.
- All players must be St. Dominic alumni or spouse. If a player does not meet this guideline, the game can be played but is counted a forfeit.
- CHAMPIONSHIP GAMES: The top two teams from each division will play each other for the bracket championship.
- After playing, areas not being worked by students (concessions, gate, score table) must be filled by alumni from the two teams finished playing.
- Cleanup is assigned by class; however, additional help is greatly appreciated.
- Questions: Contact Ryan Kiel '04 (636-357-3072 or ryanakiel@gmail.com)
